II -3. Dividend Forecast

1. Dividend Policy

We believe it is important to maintain and strengthen our competitiveness and increase our shareholder value in the future. Our basic policy for distributing profits is to pay appropriate and stable dividends to shareholders and to secure internal reserves for investment in business growth and to prepare for business risks.

In terms of dividends, we aim for a consolidated dividend **payout ratio of 50%**, placing an emphasis on returning profits to shareholders in line with consolidated business performance.
